

PHOTOVOLTAICS | FORMS | LANDSCAPES

Energy landscapes that connect

Tuesday, 27th of September 2022 | Milan, Italy
MiCo | North Wing lev. -1, Orange Room & Online

11:00 – 17:30 CEST

On the occasion of the 8th World Conference on Photovoltaic Energy Conversion

2022 PROGRAMME

11.00-11.10

Alessandra Scognamiglio

Chair to Photovoltaics | Forms | Landscapes & General Chair to the 8th World Conference on Photovoltaic Energy Conversion | Coordinator Task Force Sustainable Agrivoltaics @ENEA | Renewable Energy Technologies Department | ENEA | IT

Welcome and introduction

11.10-11.40

Raul Pantaleo

Co-founder and Senior Partner in TAMassociati | Adjunct professor University of Trieste | IT

KEYNOTE SPEECH: PHOTOVOLTAICS FOR DEMOCRACY AND RESILIENCE

THE POTENTIAL OF AGRIVOLTAICS IN AFRICAN CITIES

Co-organised with UN-Habitat

Chair: Vincent Kitio

11.40-11.55

Vincent Kitio

Architect, Chief, Urban Energie Unit, UN-Habitat (United Nations Human Settlements Programme) | KE

Introduction

11.55-12.10

Hermine Patricia Tomaïno Ndam Njoya

Mayor of the city of Foumban | CMR

Energy issues of Sub Saharan African cities: the case of Foumban

12.10-12.25

Guido Santini

Plant Production and Protection Division | Food and Agriculture Organization of the United Nations (FAO) | IT

Irini Maltsoğlu

Office of Climate Change, Biodiversity and Environment | Food and Agriculture Organization of the United Nations (FAO) | IT

Agrifood systems and energy needs in urban contexts

12.25-12.40

Derk Jan Bos

Agrivoltaics expert | NL

Best practices of agrivoltaics from South East Asia and potential applications for Africa

12.40-13.10 | Q&A

13.10-13.40 | Networking Lunch

13.40-17.20 | ITALY AS A LIVING LAB FOR CONNECTING CULTURE, LANDSCAPE, AND RENEWABLES

Chair: Alessandra Scognamiglio

13.40-13.55

Alessandra Scognamiglio

Chair to Photovoltaics | Forms | Landscapes & General Chair to the 8th World Conference on Photovoltaic Energy Conversion | Coordinator Task Force Sustainable Agrivoltaics @ENEA | Renewable Energy Technologies Department ENEA | IT

Introduction

13.55-15.30 | AGRIVOLTAICS & SOCIETY

13.55-14.10

Byron Kominek

Agrivoltaics Consultant | Natural Resources Management Expert | CO | US

Agrivoltaics and community involvement: Jack's solar garden

14.10-14.30

Alessandro Migliorini

Country Manager European Energy Italia | European Energy | DK
Experiences

14.30-14.45

Pierre Knoche

Managing Director (Finance) | REMTec | IT

Sharing experience with REM Tec's Agrovoltaico technology

14.45-15.30 | ROUND TABLE

Moderator: Heinz Ossenbrink

Co-Chair to Photovoltaics | Forms | Landscapes & Chair to the International Advisory Committee to the World Conference on Photovoltaic Energy Conversion

Novella Cappelletti

Chair to PAYSAGE | Chair to the international journal TOPSCAPE | IT

Paola Delli Veneri

Head of Innovative Devices group | ENEA | IT

Christian Thiel

Head of Energy Efficiency and Renewables Unit | Joint Research Centre | European Commission | IT

Vincent Kitio

Architect, Chief, Urban Energie Unit, UN-Habitat (United Nations Human Settlements Programme) | KE

15.30-17.20 | AGRIVOLTAICS FOR NOAH'S ARK @NEORURALEHUB

Organised by ENEA, ETA Florence Renewable Energies, IN/ARCH and NeoruraleHub in the framework of the Italian Network for Sustainable Agrivoltaics

Chair: Alessandra Scognamiglio

15.30-15.35

Alessandra Scognamiglio

Chair to Photovoltaics | Forms | Landscapes & General Chair to the 8th World Conference on Photovoltaic Energy Conversion | Coordinator Task Force Sustainable Agrivoltaics @ENEA | Renewable Energy Technologies Department ENEA | IT

Introduction

15.35-15.40

Massimo Locci

Director | IN/ARCH, Istituto Nazionale di Architettura | IT

Address

15.40-15.50

Piero Manzoni

Chief Executive Officer | NeoruraleHub-Simbiosi | IT

Address

15.50-16.50 | ARTWORK & PROJECTS PRESENTATION

15.50-16.05

Matteo Baroni

Artist, sculptor | IT

Lord of the marshes

16.05-16.20

Agata Buscemi

B2B Arquitectura, group leader

Arising landscapes

16.20 -16.35

Fabiano Spano

Studio Alami, group leader

A-Grid Agrivoltaics and landscapes

16.35-16.50

Matteo Pedaso

LAND Italia Srl, Senior Director and Partner, Urban Planner

Energy tracks: a green-blue energy infrastructure for the productive landscapes of the future

16.50-17.10 | AWARD CEREMONIES: THE AGRIVOLTAIC GARDEN
@NEORURALEHUB

Piero Manzoni

Chief Executive Officer | NeoruraleHub-Simbiosi | IT

Delivery 1st prize

Andrea Faini

General Manager Solarelit | IT

Delivery 2nd prize

Giancarlo Ghidesi

COO & Co-founder | REMTec | IT

Delivery 3rd prize

Novella Cappelletti

Chair PAYSAGE | Chair International Journal TOPSCAPE | IT

Delivery Topscape award

17.10-17.20 | WRAP UP & CONCLUSIONS

Heinz Ossenbrink

Co-Chair to Photovoltaics | Forms | Landscapes & Chair to the International Advisory Committee to the World Conference on Photovoltaic Energy Conversion

17.20-17.30 | "SolarchitecTOUR"

Organised by SUPSI with ETA-Florence Renewable Energies and ENEA

Francesco Frontini

Task Manager International Energy Agency PVPS Task 15, Enabling Framework for the Development of BIPV | CH

Announcement

Scientific Programme: [ENEA](#)

Organisation and Promotion: [ETA Florence Renewable Energies](#) & [ENEA](#)

In collaboration with: [UN-Habitat](#)

“The potential of agrivoltaics in African Cities”

has been co-organised by [UN-Habitat](#), [ENEA](#), [ETA Florence Renewable Energies](#)

“Agrivoltaics for Noah’s Ark @NEORURALEHUB”

has been co-organised by [ENEA](#), [ETA Florence Renewable Energies](#), [IN/ARCH](#) and [NeoruraleHub](#) in the framework of the Italian Network for Sustainable Agrivoltaics.

“SolarchitectOUR”

has been co-organized by [SUPSI](#), [ETA Florence Renewable Energies](#), [ENEA](#)

Media Partner: [Paysage TOPSCAPE](#)

Sponsors:

Platinum Sponsor: [European Energy](#)

Gold Sponsor: [REMTec](#)
